

VILLAGE OF HOLIDAY LAKE, INC.
7500 Loris Court
Port Charlotte, FL 33981

VHL Waterfront Boat Lift Permit

VHL-WFBLP-001

1 Introduction

Additions or modifications to existing Village of Holiday homes must comply with the VHL Declaration of Covenants & Restrictions, the Bylaws and the VHL Rules & Regulations documents. The specific sections in the documents are listed below:

VHL Rules and Regulations	ATTACHMENT B #5
VHL Declaration of Covenants and Restrictions	SECTION 6, PARAGRAPH 6
VHL Bylaws	ARTICLE – 5 SECTION 1 AND 2 AND ARTICLE 6 SECTION 1

Approval is based on the information submitted with this application.

Any change to an existing permit will require submission of an additional permit. Once an owner has completed or is in the process of completion of the VHL Waterfront boat lift application permit and questions exist, the individuals must contact the Village Manager or a member of the VHL Waterfront Committee.

The VHL Waterfront application and permit does not replace any State or Charlotte County requirement to obtain a permit for certain buildings or actions. It is the owners' responsibility, to complete and obtain these specific permits.

2 VHL Waterfront Boat Lift Application

Waterfront Committee approval is based on the information submitted with this application. Any change to your initial permit will require completion of a new permit.

4 VHL Owner Signature and Understanding of Application Process

In this section the owner will sign and date the application acknowledging the understanding of the process, the VHL Rules and Regulations, the Bylaws and the Articles of the Corporation and the permit application.

5 VHL Waterfront Signature Approvals

Approval will be a two step process. The first will be for commencement and the second for the project completion.

VHL BOAT LIFT APPLICATION

Applicant Name: _____

VHL Address: _____

Phone Number(s): _____

Slip number: _____

Date: _____ Date to be installed: _____

1: Boat lift may be constructed of any material suitable for this area of the country and must be able to safely support full weight of boat and all equipment on board including full fuel and water tanks.

2. Boat lift must be properly insured to protect VHL property and neighboring boats/property from damage due to Boat Lift structural failure or high winds. Copy of insurance rider must be attached to the approved application.

3. Boat Lift canopy if used, must be of a solid tan color and must be removed when Boat Slip/Lift is not in use.

4. Boat Lift must not interfere with the ingress or egress of other boats in neighboring slips.

5. Boat Lift may not be "permanently" attached to slip. No drilling of holes or attaching bolts, nails, or screws of any kind.

6. Ropes and/or chains may be used to secure boat lift to dock for security or safety in anticipation of high winds.

7. Agree to follow all Local, State, and/or Federal regulations regarding boat lifts on public waters.

8. In the event of non-renewal or termination of Boat Slip Lease, Boat Lift must be removed within 10 days after end of lease.

9. If boat lift is abandoned in place, applicant agrees to reimburse VHL for any and all costs associated with the removal of their Boat Lift.

Applicant signature: _____

Approval by: _____
